Field Day is coming!! June 22nd and 23rd Get ready for the fun!!!!

This year for Field Day we need some folks to help us make things interesting. We would love to have someone do a QSO via Satellite. Can you come and demo this? Last year we had a Packet demo. I hope to have this again this year. Are you good at RTTY??? How about ATV???? If you are willing to put on the show we would love to have you! If you just want to share some good company that is great also! Any questions please contact me.
