Field Day 2003 Announcement!!!!

SATURDAY

We do not have anyone willing to take charge of Saturday's activities, it has been suggested that we set up some radios around noon, and then have a potluck type of picnic at noon.

SUNDAY

OUR APPLICATION FOR STURGIS FALLS HAS BEEN APPROVED!

This year, Field Day 2003 is on the same weekend as the Sturgis Falls celebration in Cedar Falls, so we will be setting up a booth at the Street Fair, Sunday at 7 AM until 2 PM (or whenever the crowd leaves.) We will need volunteers to show up and operate equipment, as well as talk to the public. Remember that the goal during the Street Fair is not to gain points for Field Day, but to show Amateur Radio to the public, and maybe even let them try it themselves. We will be running all QRP, we are NOT allowed to use a generator, we will run on 12v batteries. Visit <http://www.sturgisfalls.org> for details.
